## PORTAINK

A portable storage case for ink pads.

This product was manufactured by an American company which had a very limited product line. ITI WORLD INVESTMENT GROUP INC. was able to acquire the die for this product at an advantageous price. As a result of existing connections with suppliers ITI was able to produce this item at a substantially lower cost. PortaInk is currently sold through the Best Craft Organizer website, retail craft stores and consumer craft shows.

ITI WORLD INVESTMENT GROUP INC. is continuing to monitor the general craft market for products which will compliment Best Craft Organizer and can be marketed on our existing
